PHILOSOPHY

At Happy Valley Children's Ranch, we believe that an environment that is safe and nurturing is essential to the healthy development of children. We provide an educational experience for preschool children that fosters cognitive, physical, social and emotional development. Our caring and supportive staff offers extensive experience in Early Childhood Education.

PROGRAM

Happy Valley Children's Ranch offers a preschool program for children ages 3 to 5 years old. Classes are in session from mid August through May. The children who attend come to school either one, two, three or four times per week for a two and one half hour session. **(Four day program offered only to Pre-K classes in the afternoon).** We offer a morning session (8:15A.M.-10:45A.M. or 8:30A.M.-11:00A.M), and an afternoon session (11:45A.M. - 2:15P.M. or 12:00P.M.-2:30P.M.) A unique part of the program at Happy Valley is our ranch type setting. During outside time the children are offered rides on the ponies or wagon. They also enjoy feeding and petting the other barn animals (chickens, sheep, ducks, rabbits, goats and pig). Check out our website at happyvalleyyps.com for more information.
