

Crackerjack Weekly News

January 16-19, 2018

INSIDE THE CLASSROOM

- The Crackerjacks loved learning about the human body this week. We made healthy food plates in Art, weighed ourselves on the scale, and ran a lot outside to build up our healthy bones. We even did some Yoga!
- We had fun thinking like scientists and investigating the concepts of sink and float. We put weight on a sailboat to make it sink and learned that something heavier than water will sink.
- We practiced the letter B this week by bringing in many amazing show and tell items, building B's with wood pieces, practicing writing the letter, and turning a "B" into a Bunny.
- We also reviewed our colors and did some math by learning about half versus whole.
