

# M&M Weekly News

April 9-13, 2018

## INSIDE THE CLASSROOM

- Marhabaan! (Hello)! We continued our theme of countries around the world with Egypt! The children enjoyed fun 3-D décor such as pyramids, camels, palm trees and mummy masks in our dramatic play area. It was great to see children working together to build pyramids with blocks and boxes. We also dressed up like mummies, played in Egyptian sand and played with Egyptian tubes.
- Mike, our Second Step puppets, came to talk to the class about how to explain a problem using our words and so that we can seek help and solutions when we have a problem. In small groups, we then acted out some problems and worked as a team on finding solutions.
- We worked on the colors gray and black, sang the color songs and talked about same and different.
- We also continued practicing songs for our end of the year show in May! The children are doing a great job at music practice.

## OUR FARM FRIENDS

It was an exciting week with our farm friends! Not only did we get to spend time with our favorite pig, Charlotte, in the petting pen, WE HAD PONY RIDES! Cinco, Magic, Orbit and Sky did great on the pony ring.

## Home Connection:

See this week's Second Step Home Link 24 Thinking of Solutions attached to our email.

To reinforce learning, ask your child if they remember what shape the pyramids are? You can also ask them to identify things that are the same and different.

## Important Dates:

April 16 & 17 Class Pictures

April 20 No School (In-Service Day)

April 25-27 No School (Parent-Teacher Conferences)

## Class Pictures

On April 16<sup>th</sup> and 17<sup>th</sup> we will be taking class photos in the barn with the animals. If you haven't ordered your picture, we have order forms in the office. **The last day to order pictures will be April 19<sup>th</sup>.**
