

Popcorn Weekly News

April 2-6, 2018

INSIDE THE CLASSROOM

- We started our Around the World Theme this month with the country of France. The children had fun pretending they were in a French bakery as they watched the Eiffel Tower and listened to French music.
- In the art center the children enjoyed painting the French flag and the Eiffel Tower.
- We talked to the class about naming a problem and using respectful words to solve a problem. The children learned that when they have a problem, first they need to take some belly breaths to calm down, and then they need to use their words to name and explain the problem to others. Naming the problem helps us feel better and allows us to get help with the problem from others.
- We continued practicing songs for our end of the year program. The children really love the songs and are doing a great job learning the words.
- We also practiced counting 1-10 and comparing things that are same and different.

OUR FARM FRIENDS

- The children really enjoyed visiting our goats, pig and rabbit in the barn on Wednesday and Thursday. We took pictures, so look out for these pictures in your child's portfolio.

Home Connection:

See this week's Second Step Home Link 23 Saying the Problem attached to our email.

We are learning about pigs this month. We read about Charlotte, our pig, in our Farm Friend Book. Ask your child if they remember what Charlotte's favorite treat is.

Important Dates:

April 16 & 17 Class Pictures

April 20 No School (In-Service Day)

April 25-27 No School (Parent-Teacher Conferences)

Class Pictures

On April 16th and 17th we will be taking class photos in the barn with the animals. If you haven't ordered your picture, we have order forms in the office.
