DECEMBER 2011

## Developmental Reports

Over the last several months, the teachers at Happy Valley have done individual observations and completed a developmental report for each child. They are being handed out the week of Nov 28th. A second observation will be done and a short parent - teacher conference held in April. If you have any questions or concerns please talk with your child's teacher. **We must have these reports signed and returned as soon as possible to use for our second observation.**

## Santa Claus

Santa Claus is making his way to HV to help us celebrate the holiday season on Wed 12-7 & Thurs 12-8. He will visit each classroom and talk to all the children individually. We're asking that kids wear their pajamas on this day to add to the fun!

## Holiday Programs

Our winter programs are scheduled for Wed. Dec. 14th and Thurs. Dec. 15th at Foothills Community Church located at 8270 W. 80th Ave. Invitations with times were sent home last month. All programs are held during the day.

**Please** have your child arrive to the church 15 minutes early. No regular classes are held on these days.
